

PROJANDSPA W

GRUNDFOS X

# About us

*We will implement  
your ambitious project.*

## „From an idea to execution”

which is the motto that guides us in carrying out projects that often start as an idea, but always ends in their successful execution!

## We have been trusted by customers from:

Chemical  
industry

Power and heating  
industry

Pharmaceutical  
industry

Refrigeration  
industry

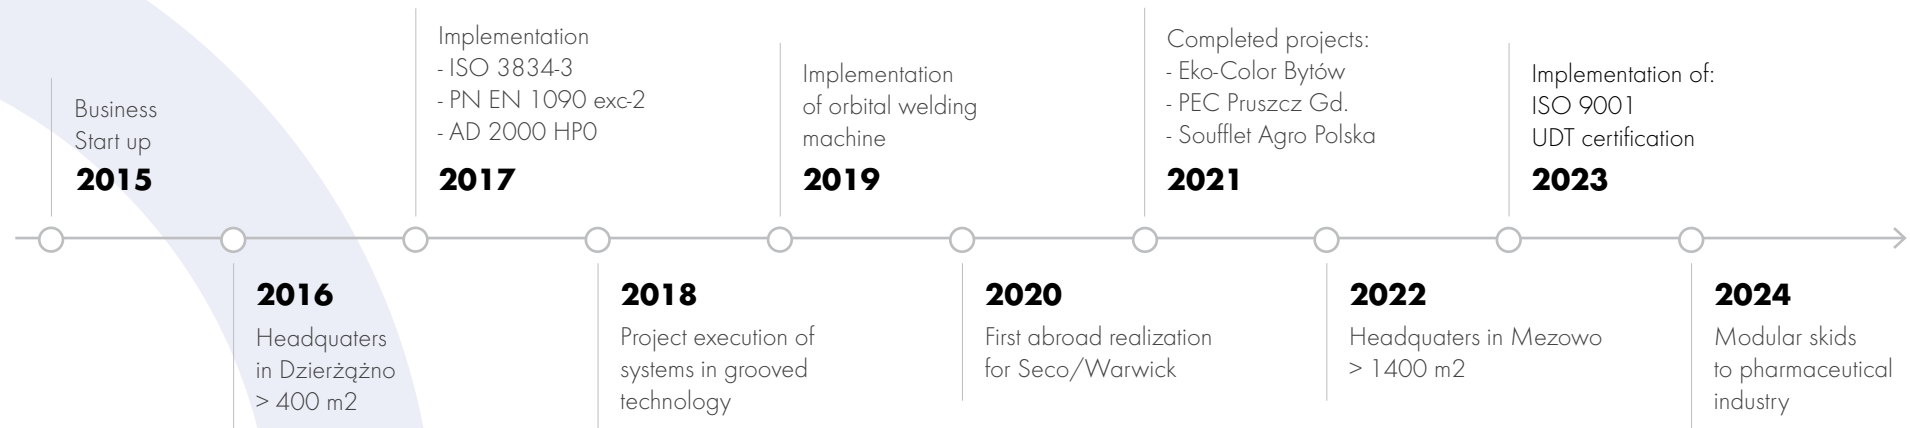

Other  
industries

2

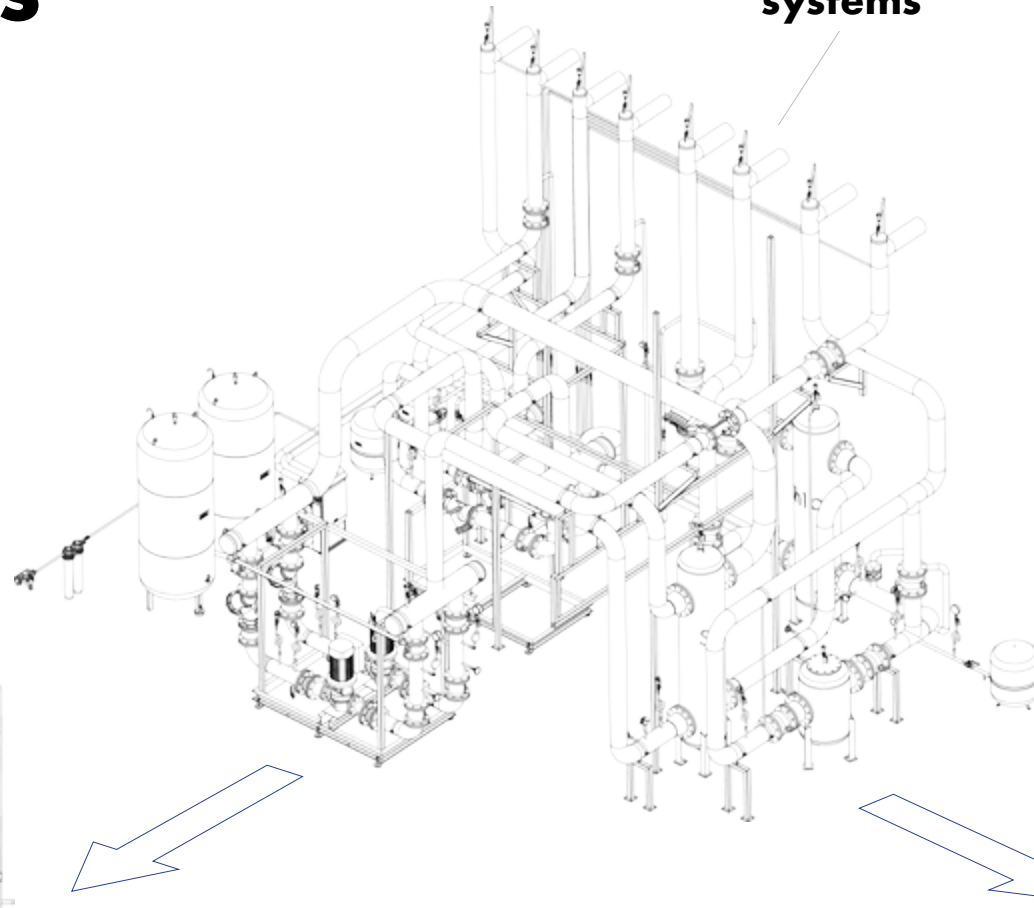

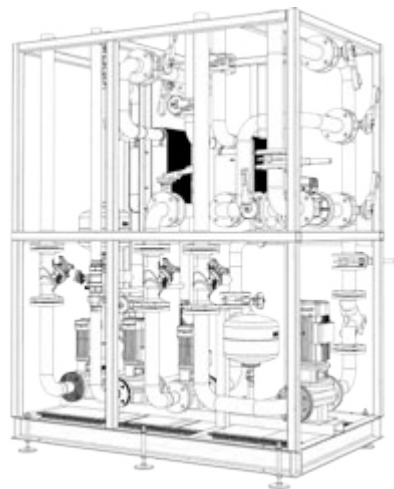

## Milestones:

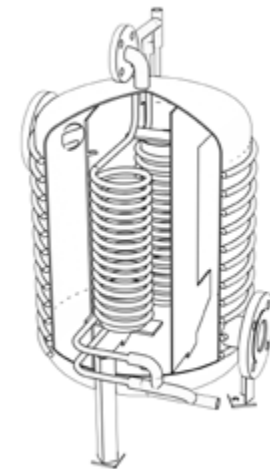

# About us

Industrial systems

Modular solutions

Non-standards reservoirs

**ISO 9001:2015**

- Production
- Design,
- Installation

**Certificates TUV**

- ISO 3834-3
- PN EN 1090-exc2
- AD 2000 HPO

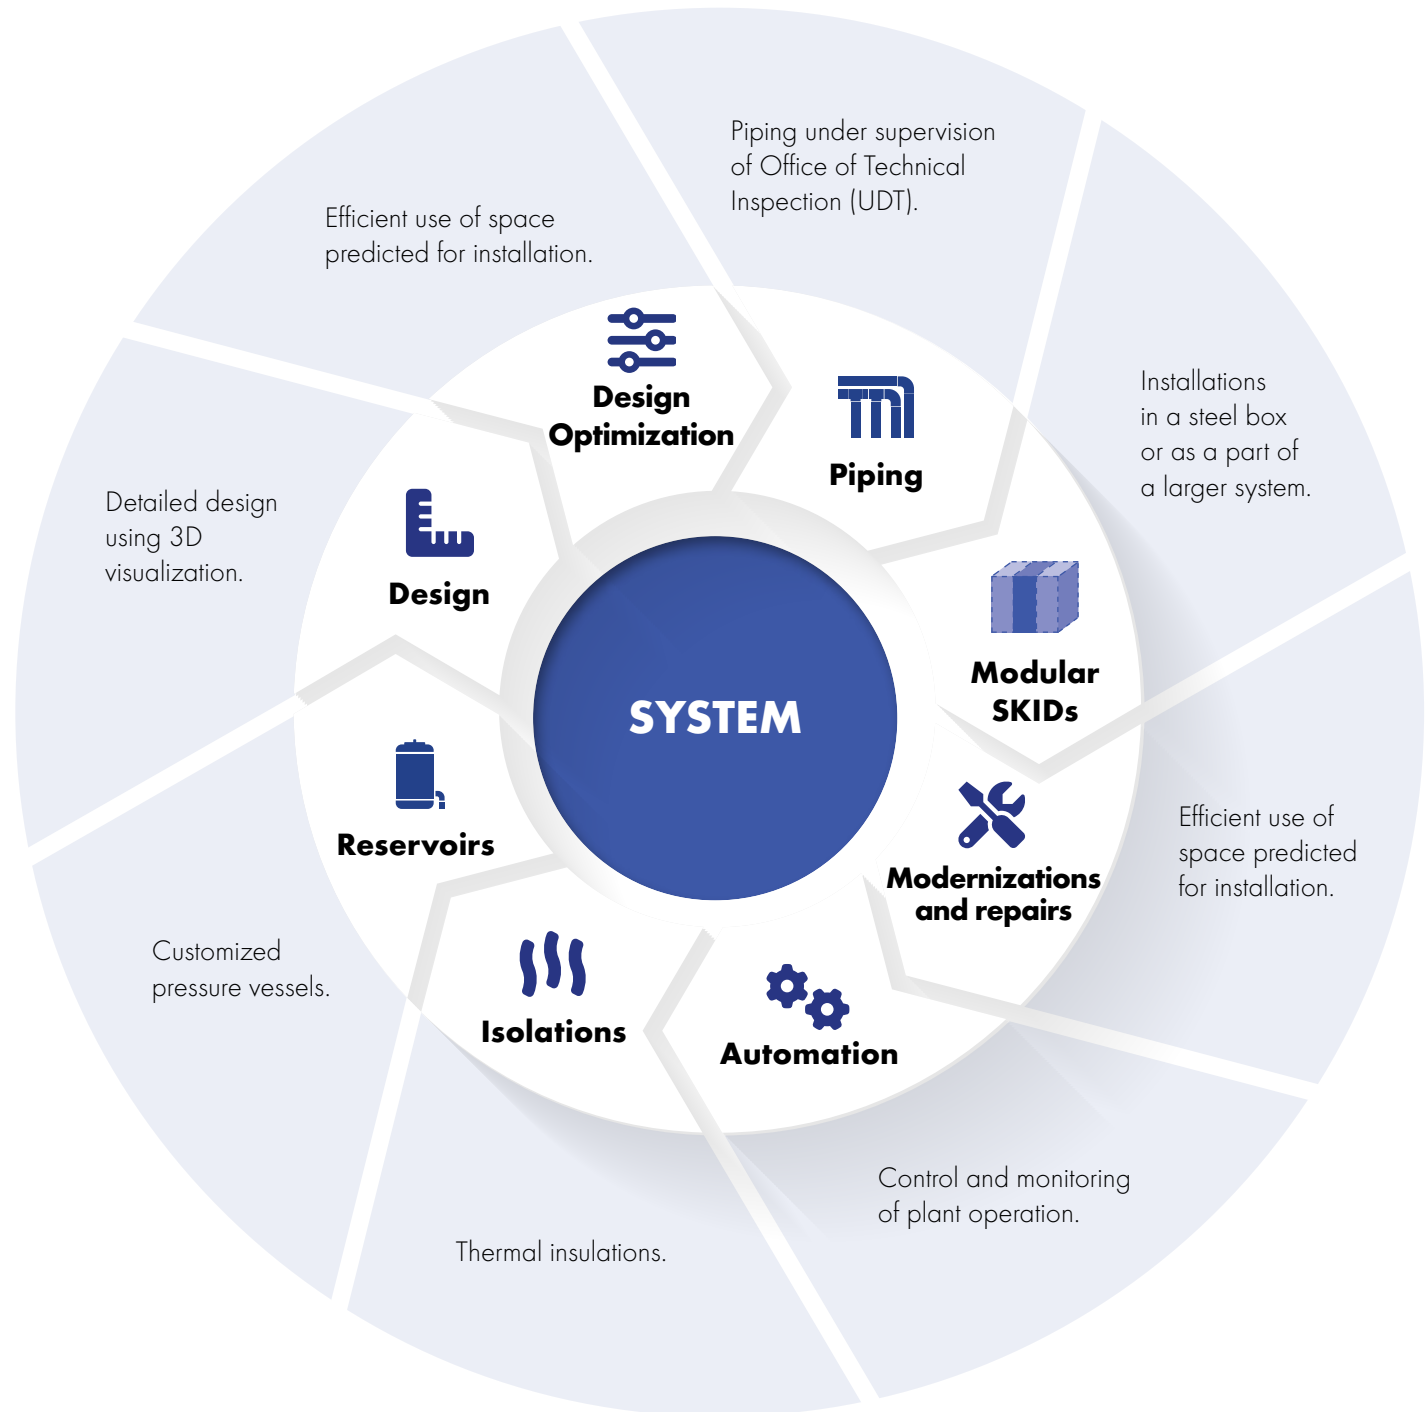

**Certificates UDT**

- Modernization
- Repairs

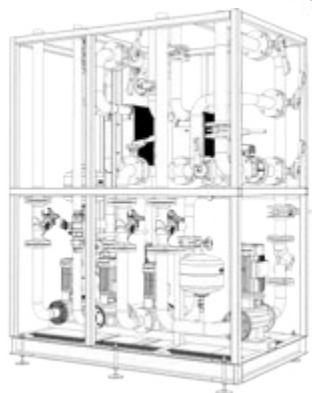

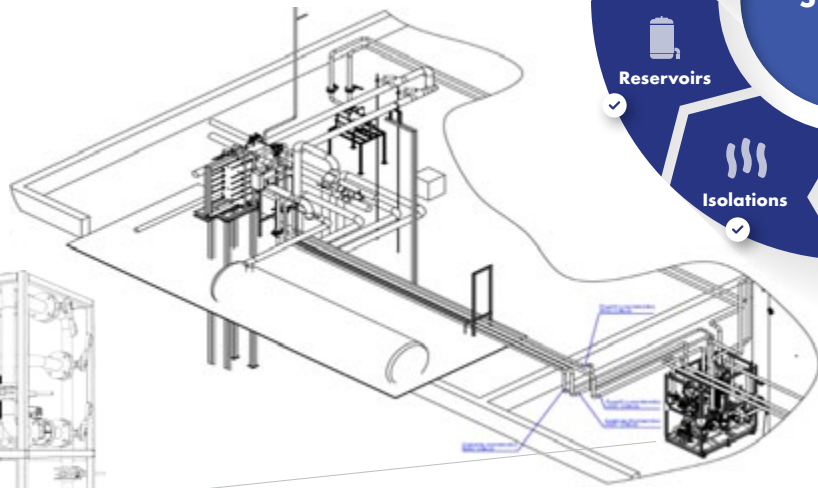

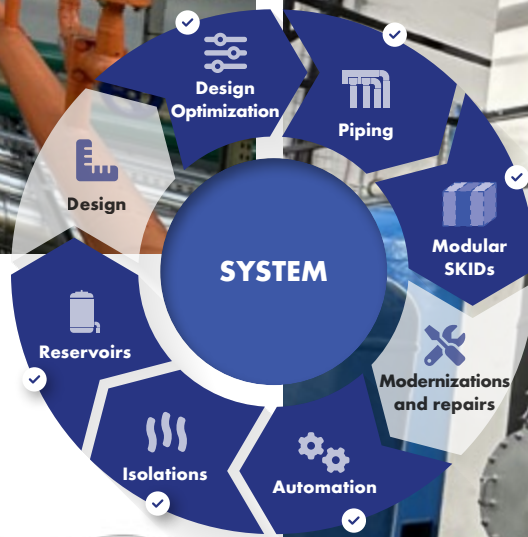

# Industrial systems

4

## Solutions:

- Product distribution lines
- Waste heat recovery system
- Cooling of machinery and process lines
- Integrations of heat sources
- Process installations

5

**Execution:** Heat recovery from overheated ammonia.

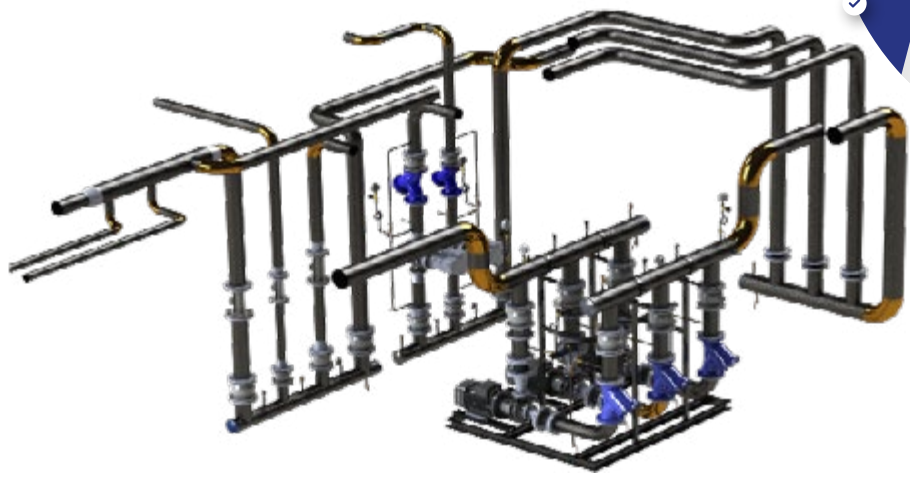

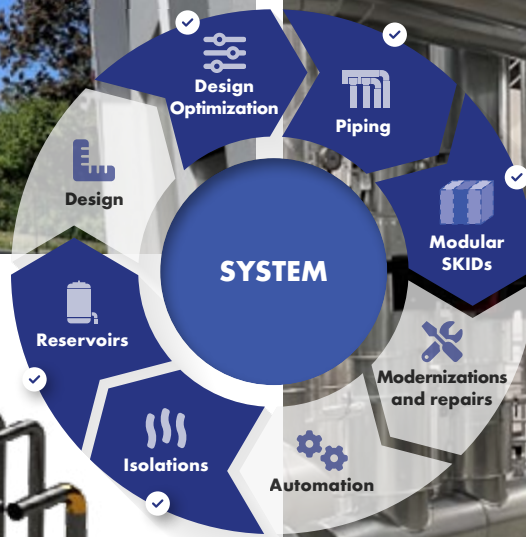

**Execution:** Modernisation the steam boiler room and exhaust instalattion form cogeneration 0,4 i 0,8 MW

Skórcz

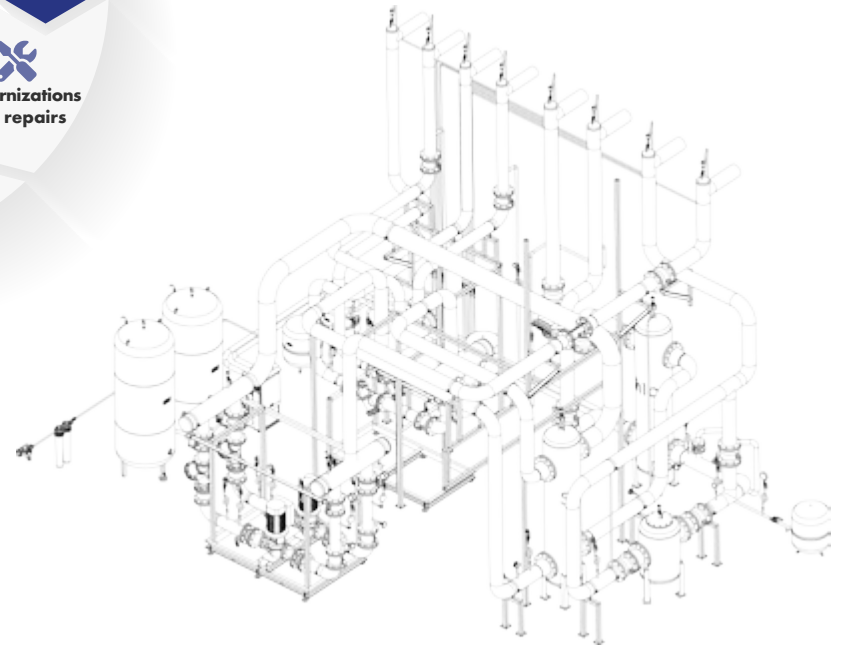

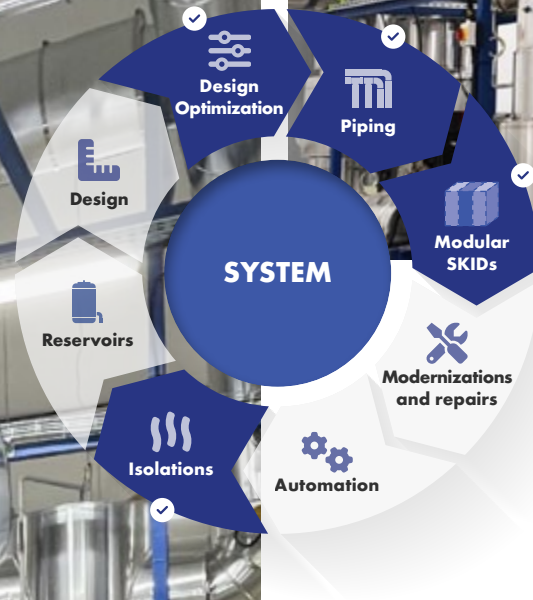

Food and beverage

7

**Execution:** Cogeneration with heat pumps with a total capacity of 3.3MW.

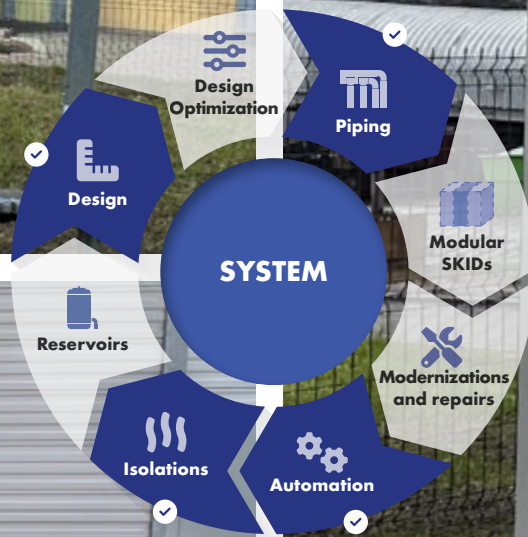

8

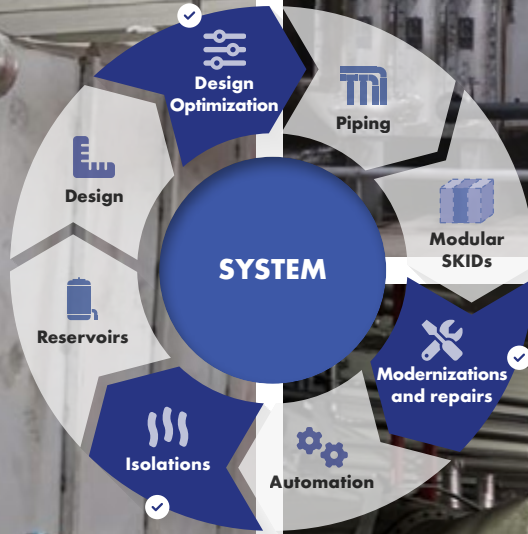

**Execution:** Power output from cogeneration - 2.2MW.

Poznań

Food and beverage

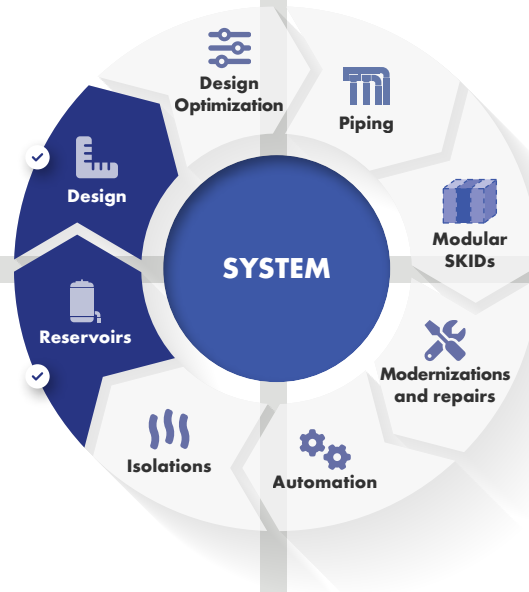

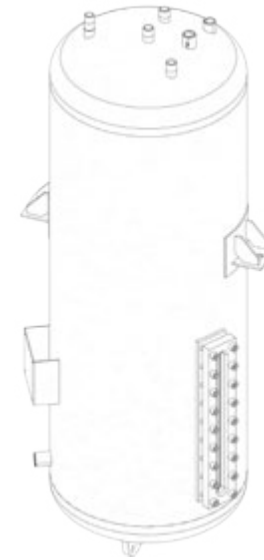

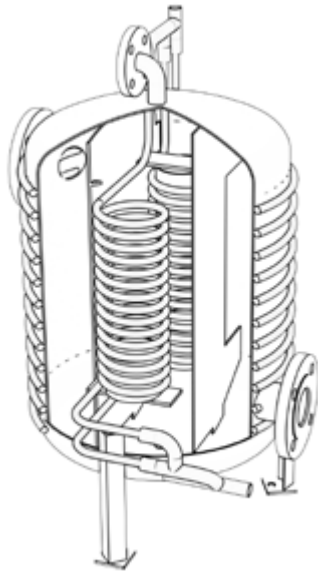

10

**Execution:** Assembly of a 1 MW heat exchanger and modernisation installation the boiler room.

# References:

## **Rockfin Sp. z o.o.** / [Implementation for the refining industry](#)

*The work was carried out in accordance with the scope of the contract and within the agreed timeframe. The team performing the task consisted of qualified and experienced workers, and the company had the necessary technical resources.*

Tomasz Rynkowski, Sales Director

## **Indorama Venture Poland Sp. z o.o.** / [Chemical industry](#)

*Despite the short turnaround time, the entrusted task went successfully at every stage of its implementation. The Projandspaw company showed professionalism and reliably completed signed agreement in the agreed time.*

Remigiusz Drążkiewicz, Maintenance manager

## **DB Energy S.A.** / [Food and Beverage Industry](#)

*The cooperation proceeded smoothly and efficiently, with the work being carried out diligently and in accordance with the declared deadline. We recommend Projandspaw Sp. z o.o. company as a reliable business partner and a worthy executor of industrial installations.*

dr. hab. Krzysztof Piontek, CEO

## **Seco / Warwick S.A.** / [Implementation for the aerospace industry](#)

*We confirm that Projandspaw, as a company providing services in the field of technological installations, has the proper equipment and technical resources, as well as experienced staff, which guarantees high quality and timeliness of the work performed.*

Rafał Komin, Deputy Director of the vacuum department for implementation

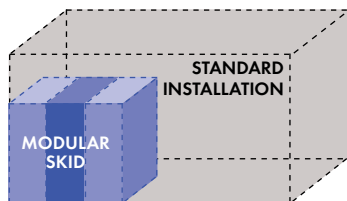

## **Iglotex S.A.** / [Food and Beverage Industry](#)

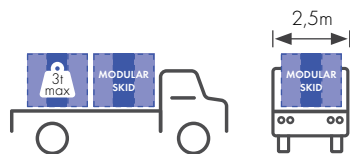

*Projandspaw demonstrated flexibility and a professional approach throughout the project, completing it within the established timeframes. For this reason, we recommend Projandspaw Sp. z o.o. as a trustworthy partner for industrial installations projects.*

Mirosława Podszucka, Production Director

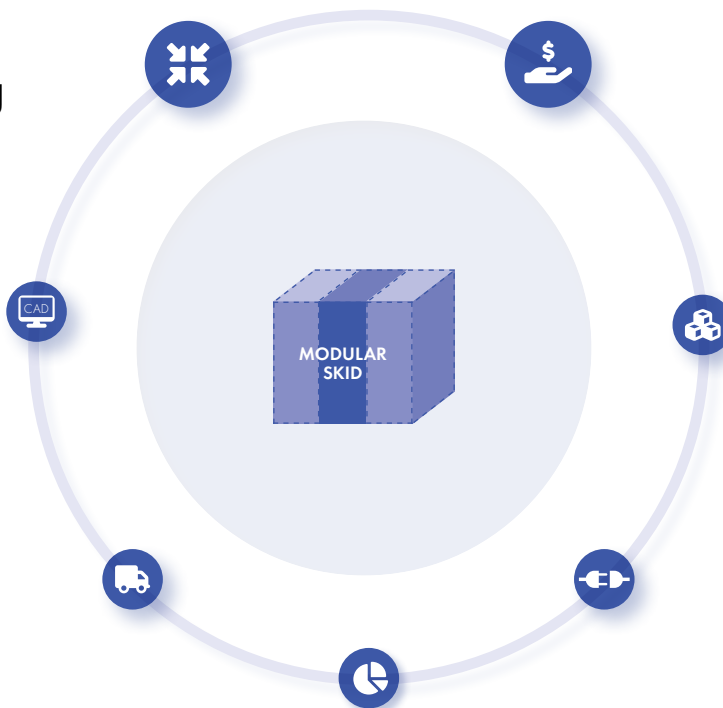

# Modular skid solutions

**Space saving**

**Easy to transport**

## Applications:

Any kind of media: H<sub>2</sub>O gas oil other

- Pumping and heat exchanger units
- Cooling units
- Stabilization of proces parameters units
- Media treatment units
- Reduction and measurement units
- Gas units
- Fuel units
- Dosing and mixing units
- Lubrication units
- Pilots or Prototypes units

cost

STANDARD INSTALLATION

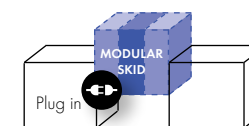

MODULAR SKID

downtime duration

**Lower cost of downtime**

**Modular design**

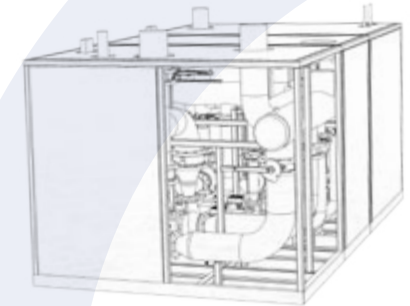

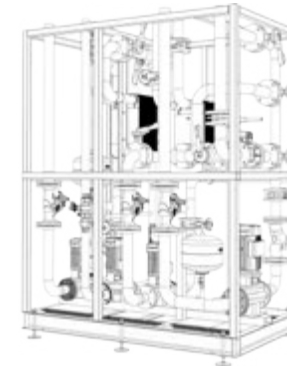

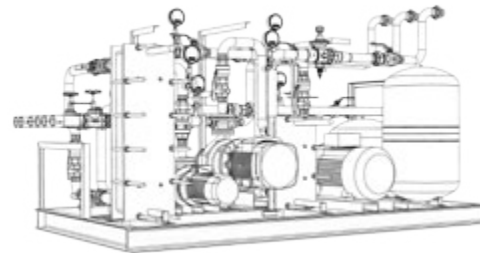

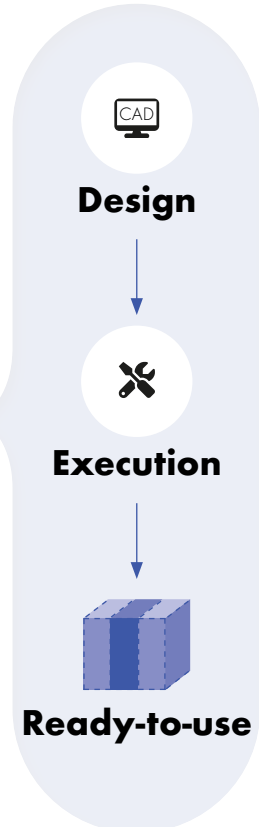

**Easy to integrate with custom system**
